Dear Linda,

Thank you for resubmitting the report (JW) for South Cambridgeshire Community Safety Partnership to the Home Office Quality Assurance (QA) Panel. The report was reassessed in July 2023.

The QA Panel felt the report feels open and reflects the contents of the IMRs. There is appropriate panel membership, including representation from the local Women's Aid and Age UK. The panel were clearly engaged as evidenced by the number of panel meetings and the report provides some sense of JW as a person.

There is some good learning and recommendations drawn out from the report, including to explore what can be done when vulnerable adults do not take up social care support, the use of carer's assessments as well as learning around the importance of safeguarding and multi-agency meetings when supporting adults at risk.

The Home Office noted that most of the issues raised in the previous feedback letter following the first submission have now been addressed.

The view of the Home Office is that the DHR may now be published.

Once completed the Home Office would be grateful if you could provide us with a digital copy of the revised final version of the report with all finalised attachments and appendices and the weblink to the site where the report will be published. Please ensure this letter is published alongside the report.

Please send the digital copy and weblink to DHREnquiries@homeoffice.gov.uk. This is for our own records for future analysis to go towards highlighting best practice and to inform public policy.

The DHR report including the executive summary and action plan should be converted to a PDF document and be smaller than 20 MB in size; this final Home Office QA Panel feedback letter should be attached to the end of the report as an annex; and the DHR Action Plan should be added to the report as an annex. This should include all implementation updates and note that the action plan is a live document and subject to change as outcomes are delivered.

Please also send a digital copy to the Domestic Abuse Commissioner at DHR@domesticabusecommissioner.independent.gov.uk

On behalf of the QA Panel, I would like to thank you, the report chair and author, and other colleagues for the considerable work that you have put into this review.

Yours sincerely,

Lynne Abrams

Chair of the Home Office DHR Quality Assurance Panel
